

SOUTH CENTRAL INDIANA RURAL ELECTRIC MEMBERSHIP CORPORATION

**GENERAL POWER SERVICE RATE
RATE SCHEDULE – GP-SEA
EFFECTIVE SEPTEMBER 1, 2010**

Availability

Available as an optional rate to any consumer of the Corporation for single-phase and multi-phase retail or commercial electric service at a single delivery point with a transformer capacity of 50 KVA or less. **A consumer choosing this optional rate must remain on the rate for a minimum of six months. Consumers opting to change to a different rate schedule after the six month minimum period must wait a minimum of six months before returning to this optional rate.**

Type of Service

Single-phase and multi-phase, sixty (60) cycles at the following standard voltages: 120/240, 120/208, 277/480, 240/480.

Monthly Rate

Minimum Monthly Charge: Single-phase - \$34.11 per month
Multi-phase \$38.61 per month

Energy Charge:

Purchased Power – June, July, August	\$.1323 per KWH
Purchased Power – December, January, February	\$.1001 per KWH
Purchased Power – March, April, May, September, October, November	\$.0583 per KWH
SCI Distribution Cost – All KWH	\$.0174 per KWH

Hoosier Energy Adjustment

The above rates may be subject from time to time to a purchased power cost adjustment tracking factor as deemed appropriate by the Board of Directors of the Corporation. The purchased power cost adjustment tracking factor applicable hereto is shown in Appendix A.

Minimum Monthly Billing

The minimum monthly billing under the above rate shall be \$34.11 for single-phase service and \$38.61 for multi-phase service or the contracted minimum, if applicable.

Terms of Payment

The above rate is net, the gross rate being 5% higher on the current net monthly bill. In the event the current monthly bill is not paid within seventeen (17) days of the bill date, the gross rate shall apply. When the seventeenth day falls on Sunday or any other legal holiday, the first business day thereafter shall be added to the seventeen-day period. If a delinquent balance exists, all payments will be first applied to such delinquent balance.

Conditions of Service

The rated capacity of any single-phase motor served under this schedule in excess of ten (10) horsepower shall be subject to the approval of the Corporation. All three-phase motor applications under this schedule shall be subject to the approval of the Corporation.

The consumer may connect lighting to a power circuit from the power meter. Any additional transformers or regulation equipment which may be required for such lighting shall be furnished by the consumers.

All wiring, poles, lines, and other electrical equipment beyond the metering point, exclusive of the service transformers and protective equipment, shall be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.

Consumer will be required to give satisfactory assurance, supported if necessary by a written contract, as to the character, amount and duration of business offered.

Interpretation of Schedule

The interpretation of or the application by the Corporation or by any consumer of all rates, rules, and regulations included in this rate schedule shall be subject to review by the Board of Directors of the Corporation, consistent with its service rules and regulations or policies, except as otherwise provided by law.

Miscellaneous Nonrecurring Charges

Consumers served under this rate schedule shall be subject to the miscellaneous nonrecurring charges as stated in Appendix C, which may be charged to the consumer as applicable.

Operation Roundup®

Consumers served under this rate schedule may voluntarily participate in the Operation Roundup® program as described in Appendix D.

Rate Schedule Modifications

All rate schedules and charges, as well as the Corporation's service rules and regulations or policies, may be amended or modified, in whole or in part, at any time as deemed appropriate by the Corporation's Board of Directors.
