

Camp Tecumseh YMCA Outdoor Center

Since 1924, Camp Tecumseh has provided wonderfully fun and memorable camp experiences for children through their commitment to helping reinforce the positive values parents are already teaching their youngsters at home. Character qualities like caring, responsibility, respect, trustworthiness, teamwork, and initiative.

The clean and safe facilities provide campers with one of the premier camp experiences in the country. Campers will find it hard to discover and experience everything in just three days! For more information about Camp Tecumseh facilities and staff, or to check out a complete camp schedule, visit www.CampTecumseh.org.

Energize Your Summer

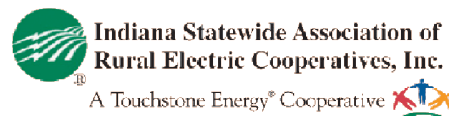

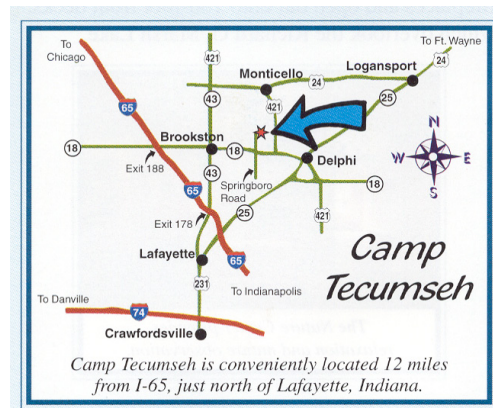

Touchstone Energy® Camp

Camper Restriction

Our programs are not designed for campers who need significant assistance for personal care, require constant one-on-one support, or have great difficulty managing their behavior in group settings. If your child has a special health care need, contact your electric co-op for an evaluation of the camper's care needs.

This evaluation will be made by Camp Tecumseh healthcare staff and the Touchstone Energy® Camp Committee. Health conditions requiring advance clearance include, but are not limited to: Insulin Dependent Diabetes, Cardiac Situations, Asthmatics, Seizure Disorders, Autism Spectrum & Serious Food Allergies.

Programs & Activities

Students will enhance their learning by participating in this fun, dynamic three-day camp. A variety of activities have been designed to deliver the cooperative message through an interactive and powerful program:

- Electric Generation and Transmission Education
- Horseback Riding
- Bucket Truck Rides
- Rock Climbing
- Archery
- Alternative Energy Education
- Swimming
- Touchstone Energy®Discovery Game
- Live Line Safety Demonstration
- And much more

Energize Your
Summer ⚡

The Touchstone Energy®Camp provides a fun, powerful and unique camp experience designed for 6th grade students from all over Indiana. Imagine starting your 6th grader's summer vacation learning about electricity, trying cool activities, playing fun games and making new friends!

It's an electrifying camp they will never forget and it is completely free!

The Touchstone Energy®Camp experience is made possible thanks to the generosity of Indiana's rural electric cooperatives, Hoosier Energy, Wabash Valley Power Association, Indiana Statewide Association of Rural Electric Cooperatives, and other industry sponsorships.

Don't be left in the dark

How to Apply

If your current 6th grader is interested in attending Touchstone Energy® Camp, please contact your local rural electric cooperative. Staff can provide additional information and eligibility guidelines. Applicants will need to provide:

- A completed application
- A brief essay
- A health form
- Due by February 29, 2012

To ensure that campers have the opportunity to meet new friends, we discourage cabin mate requests. Even if two persons are not in the same cabin, there are many opportunities to spend time together at camp.

Contact Information

All questions should be directed to your local electric cooperative. If you are not sure how to contact your local electric cooperative, simply visit www.indremcs.org to access an easy-to-use locator map.
