

SOUTH CENTRAL INDIANA RURAL ELECTRIC MEMBERSHIP CORPORATION

APPENDIX C MISCELLANEOUS NONRECURRING CHARGES EFFECTIVE JANUARY 1, 2013

Service Order Fee

A \$50.00 non-refundable service order fee will be charged when a meter installation is required unless the customer chooses to participate in the Prepaid Electric Program.

Prepaid Activation Credit

A \$50.00 activation fee will be charged when a customer signs up for the Prepaid Electric Program. The \$50.00 fee will be applied toward future electricity usage.

Insufficient Fund Check Charge

When a check received for payment of a customer's account is returned by the bank due to insufficient funds, the customer's account will be charged \$26.00 for each insufficient fund check returned to South Central Indiana REMC.

Remote Disconnect Device Installation Fee

When it becomes necessary for South Central Indiana REMC to make a trip to a customer's premises for the purpose of disconnecting service due to non-payment of the electric bill, a \$100.00 fee will be charged to the customer's account when a Disconnect Switch Interbase Device or an Electric Meter with an Integrated Disconnect Switch is installed.

Service Reconnect Fee

When service is reconnected to the same customer at the same location, a \$50.00 reconnection fee will be charged to the customer's account when it becomes necessary for South Central Indiana REMC to make a trip to the customer's premises.

Meter Tampering Fee

When it becomes necessary for a South Central Indiana REMC employee to make a trip to a customer's premises for the purpose of investigating illegal tampering of the electric meter, a \$200.00 fee will be charged to the customer's account.

Temporary Service Fee

Consumers who request or utilize electric service for less than a thirty (30) day period, shall be required to pay a \$50.00 connection fee and a \$50.00 disconnection fee when the service is disconnected unless the account is equipped with a Disconnect Switch Interbase Device or an Electric Meter with an Integrated Disconnect Switch and the service can be remotely disconnected. These charges shall be in addition to the charges for electric service used and billed under the applicable rate schedule as approved by the Board of Directors of the Corporation and applicable line extension and construction costs.

Disconnect Fee for Seasonal Accounts

Consumers who request their service be disconnected for more than a thirty (30) day period shall be required to pay a one-time fee of \$100.00 when a Disconnect Switch Interbase Device or an Electric Meter with an Integrated Disconnect Switch can be installed at the premises.

Dusk-to-Dawn Security Light Conversion Fee

Consumers who request to have their dusk-to-dawn security light changed to one with a different wattage or style shall pay a conversion fee of \$75.00.

Customer Requested Meter Test Fee

The Cooperative will test the accuracy of registration of a meter upon written request by a consumer at no charge. A fee of \$50.00 may be charged for any subsequent test if requested by the customer within thirty-six (36) months of the previously requested test if no error is found.
