LIST ALL REPAIRS MADE

**OPTIONS FOR RETURNING FORM to SCI REMC:
This must be turned in PRIOR to SCI REMC restoring power**

- Provide to SCI field personnel upon their arrival to reconnect
- Fax to 765.352.4890, ATTN: SCI REMC System Operations
- Email to emergencyrepairs@sciremc.com

IMPORTANT NOTES:

This emergency wiring statement may only be used for EMERGENCY repairs AFTER normal business hours or when the county inspector is unavailable. This form MAY NOT be used for new service requests, planned work, or other non-emergency scenarios.

All electricians must be on the approved list of qualified electricians for the county where work is performed.

Electrician signature MUST be legible.

This list is provided to SCI by the county inspectors. Please contact the appropriate county representatives for information on how to be added to this list.

The list for each county may be found on our website at

www.sciremc.com/emergencyrepairs
