

2021 RESIDENTIAL REBATE PROGRAM

About the Program

Your electric cooperative is offering a 2021 residential rebate for qualifying equipment (water heaters, geothermal heat pumps and air source, ductless mini-split or dual fuel heat pumps). To qualify, you must occupy the home where equipment is installed year-round (12 months) and unit must heat and cool whole home unless otherwise stated.

Please provide the following documents to your electric cooperative to apply for possible rebates*:

- AHRI (Air conditioning, Heating and Refrigeration Institute) certificate for validation for all SEER ratings. (This can be obtained from the installing heating and cooling dealer.)
- 2021 Residential Rebate Application
- Proof of purchase (invoice or receipt)
- Before and after photos

Must apply by December 15, 2021

www.sciremc.com/rebates-credits

Return completed application to:
productsservices@sciremc.com, or
South Central Indiana REMC

300 Morton Avenue, Martinsville, IN 46151 Attn: Rebates

* Your electric cooperative reserves the right to approve, deny or select the appropriate incentive. Prior approval is required for electric resistance incentives.

Water Heater (Heat Pump or Hybrid)

New construction or replacing gas or electric

Geothermal Heat Pump

New construction or replacing electric resistance heat, gas, heat pump or geothermal

Air Source or Dual Fuel Heat Pumps

Heat pump replacing gas, existing AC or heat pump or new construction

Heat pump replacing 100% electric resistance heat

Mini-Split Heat Pump

Single room or whole home installations

SEE MORE ABOUT QUALIFYING EQUIPMENT ON OTHER SIDE.

Please read and sign below to indicate you understand and agree to the following conditions:

1. All rules and requirements of this program have been followed.
2. Applicant has read and agrees to the Residential Rebate Program Terms and Conditions at sciremc.com/rebates-credits.
3. Applicant is a residential member of South Central Indiana REMC, an electric cooperative member of Hoosier Energy.
4. The rebated equipment was installed and operational prior to submission of this application.
5. South Central Indiana REMC is providing the electric service to the installation site address listed on this application. Rebated equipment is installed in the primary residence of the applicant.
6. Applicant understands and agrees that neither Hoosier Energy nor South Central Indiana REMC assumes any responsibility or liability arising out of or related to applicant's participation in Team Up programs.
7. Applicant will allow inspection of the rebated equipment (if requested).
8. Applicant understands applicant will not receive a rebate if applicant and/or applicant's contractor fails to provide required program documentation.
9. Applicant agrees to purchase power from South Central Indiana REMC for a period not less than the deemed measured useful life of rebated equipment. Should the applicant receive power from any source other than the electric cooperative, including generation owned by the customer, before the end of the equipment's deemed useful life, the applicant agrees to refund the full amount of the rebate to the distribution cooperative.
10. Applicant gives permission to Hoosier Energy to obtain usage information from their electric cooperative. Applicant understands that Hoosier Energy may use the usage information provided for program evaluation and analysis. If signing in a capacity other than an individual capacity, the individual signing below hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.
11. South Central Indiana REMC reserves the right to approve, deny or select the appropriate rebate amount.
12. **A copy of the sales invoice, before and after pictures of the equipment and an AHRI certificate must be included with the rebate application.**
