Power Cost Adjustment

The above rates may be subject from time to time to a purchased power cost adjustment tracking factor as deemed appropriate by the Board of Directors of the Corporation. The purchased power cost adjustment tracking factor applicable hereto is shown in Appendix A.

Terms of Payment

The above rate is net, the gross rate being 5% higher on the current net monthly bill. In the event the current monthly bill is not paid within seventeen (17) days of the bill date, the gross rate shall apply. When the seventeenth day falls on Sunday or any other legal holiday, the first business day thereafter shall be added to the seventeen-day period. If a delinquent balance exists, all payments will be first applied to such delinquent balance.

Conditions of Service

All wiring, poles, lines, and other electrical equipment beyond the metering point shall be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.

Consumers must install a Corporation provided meter base at their expense.

Miscellaneous Nonrecurring Charges

Consumers served under this rate schedule shall be subject to the miscellaneous nonrecurring charges as stated in Appendix C, which may be charged to the consumer as applicable.

Operation Roundup®

Consumers served under this rate schedule may voluntarily participate in the Operation Roundup® program as described in Appendix D.

Interpretation of Schedule

The interpretation of or the application by the Corporation or by any consumer of all rates, rules, and regulations included in this rate schedule shall be subject to review by the Board of Directors of the Corporation, consistent with its service rules and regulations or policies, except as otherwise provided by law.

Rate Schedule Modifications

All rate schedules and charges, as well as the Corporation's service rules and regulations or policies, may be amended or modified, in whole or in part, at any time as deemed appropriate by the Corporation's Board of Directors.
