

Conditions of Service

The rated capacity of any single-phase motor served under this schedule in excess of ten (10) horsepower shall be subject to the approval of the Corporation. All three-phase motor applications under this schedule shall be subject to the approval of the Corporation.

The consumer may connect lighting to a power circuit from the power meter. Any additional transformers or regulation equipment which may be required for such lighting shall be furnished by the consumers.

All wiring, poles, lines, and other electrical equipment beyond the metering point, exclusive of the service transformers and protective equipment, shall be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.

Consumer will be required to give satisfactory assurance, supported if necessary by a written contract, as to the character, amount and duration of business offered.

Interpretation of Schedule

The interpretation of or the application by the Corporation or by any consumer of all rates, rules, and regulations included in this rate schedule shall be subject to review by the Board of Directors of the Corporation, consistent with its service rules and regulations or policies, except as otherwise provided by law.

Miscellaneous Nonrecurring Charges

Consumers served under this rate schedule shall be subject to the miscellaneous nonrecurring charges as stated in Appendix C, which may be charged to the consumer as applicable.

Operation Roundup®

Consumers served under this rate schedule may voluntarily participate in the Operation Roundup® program as described in Appendix D.

Rate Schedule Modifications

All rate schedules and charges, as well as the Corporation's service rules and regulations or policies, may be amended or modified, in whole or in part, at any time as deemed appropriate by the Corporation's Board of Directors.
